

Gracie

Gracie is a very sweet and highly affectionate little tabby. We think she is between 8 and 10 years old. She came to us with a wound on her side where she had caught herself on something, it has now completely healed. She has also been given a dental to remove some teeth that she was having problems with. If you are interested in giving Gracie her forever home please call Jean on 01249 653443
