

Georgie is Reserved

Georgie is a very sweet and super handsome about 4 year old Burmese Blue cross boy. He came to us as a stray and had clearly been alone for a while as he was very scared. He has needed his trust building up again and after 5 weeks is now happy to be stroked and is showing there is such a lovely little one just needing the right person to be his forever friend. He has just started playing a bit too, not had that for a very long time it seems. Not found his purr yet though that will come in time. He needs to be an only pet with a very patient, experienced owner. in a quiet household with at most sensible teenage children. We and the vet are both convinced there is a lovely boy inside who just needs to be rediscovered. He has been neutered, microchipped, flea and worm treated. He would be best as an indoor cat we think as he shows no interest in outside and just wants to be secure, fed and loved.

If you are interested in giving this lovely boy his forever home please call or text Andrew on 07767 884648
