

Tilly

Tilly is a beautiful, friendly 3 year old girl who is looking for her new forever home through no fault of her own. She is spayed, microchipped, and up to date with her flea and worm treatments as well as her vaccinations. She loves a lap and is always up for a cuddle. She will be best as the only pet with someone home quite a lot of the time as she loves affection. She does enjoy the outdoors however seems to prefer inside space. So a secure rear garden well away from any busy roads please. She is fully litter trained and will be fine with older sensible children.

If you are interested in giving this lovely girl her forever home please call or text Andrew on 07767 884648
